Dear Parents,

Further to my letter of 14th May 2024, it has come to my attention that the bundle pack is only available through a direct school order.

To continue preparation for the SEAG entrance exam, we highly recommend that your child continues revision and practice papers over the summer. We recommend a summer pack from 'Learning Together' which contains a book of four tests, as well as revision booklets for both English and Maths.

The bundle costs £14 and can now be purchased through our school office. A sample can be viewed by following this link: <https://www.transfertestpapers.co.uk/3-book-bundle-for-seag-transfer-test-samples>

3-pack bundle offer

Ideal summer pack.

£12.00 per bundle (saving 25% per pupil)
